

# Dams in Maharashtra

by Pushkar Gadgil

Select the name of the Dam

Tillari (Main) ▾

River Name

Tillari

District

Kolhapur

Purpose

Hydroelectricity

Type

Gravity

Region

Paschim Maharashtra

Height (m)

39

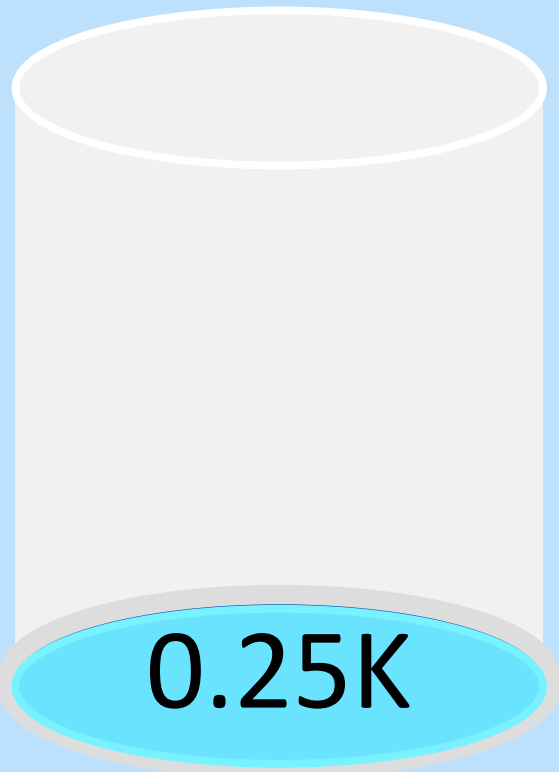

Length (m)

485

Year Built In

1986

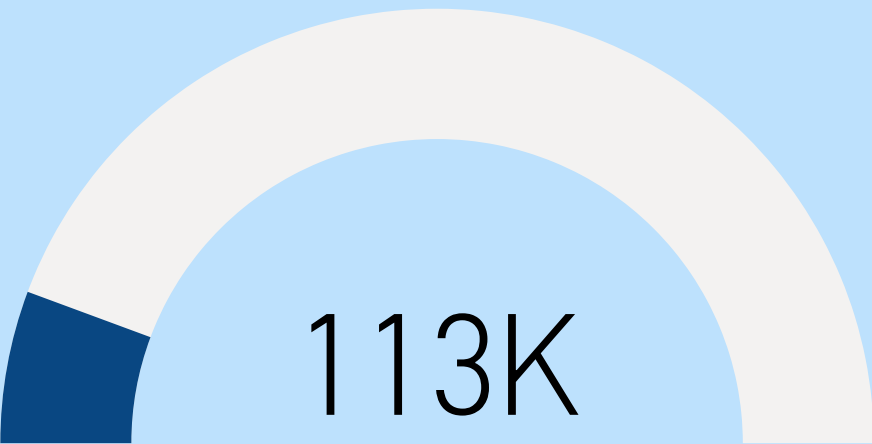

Volume content  
(10<sup>3</sup>m<sup>3</sup>)

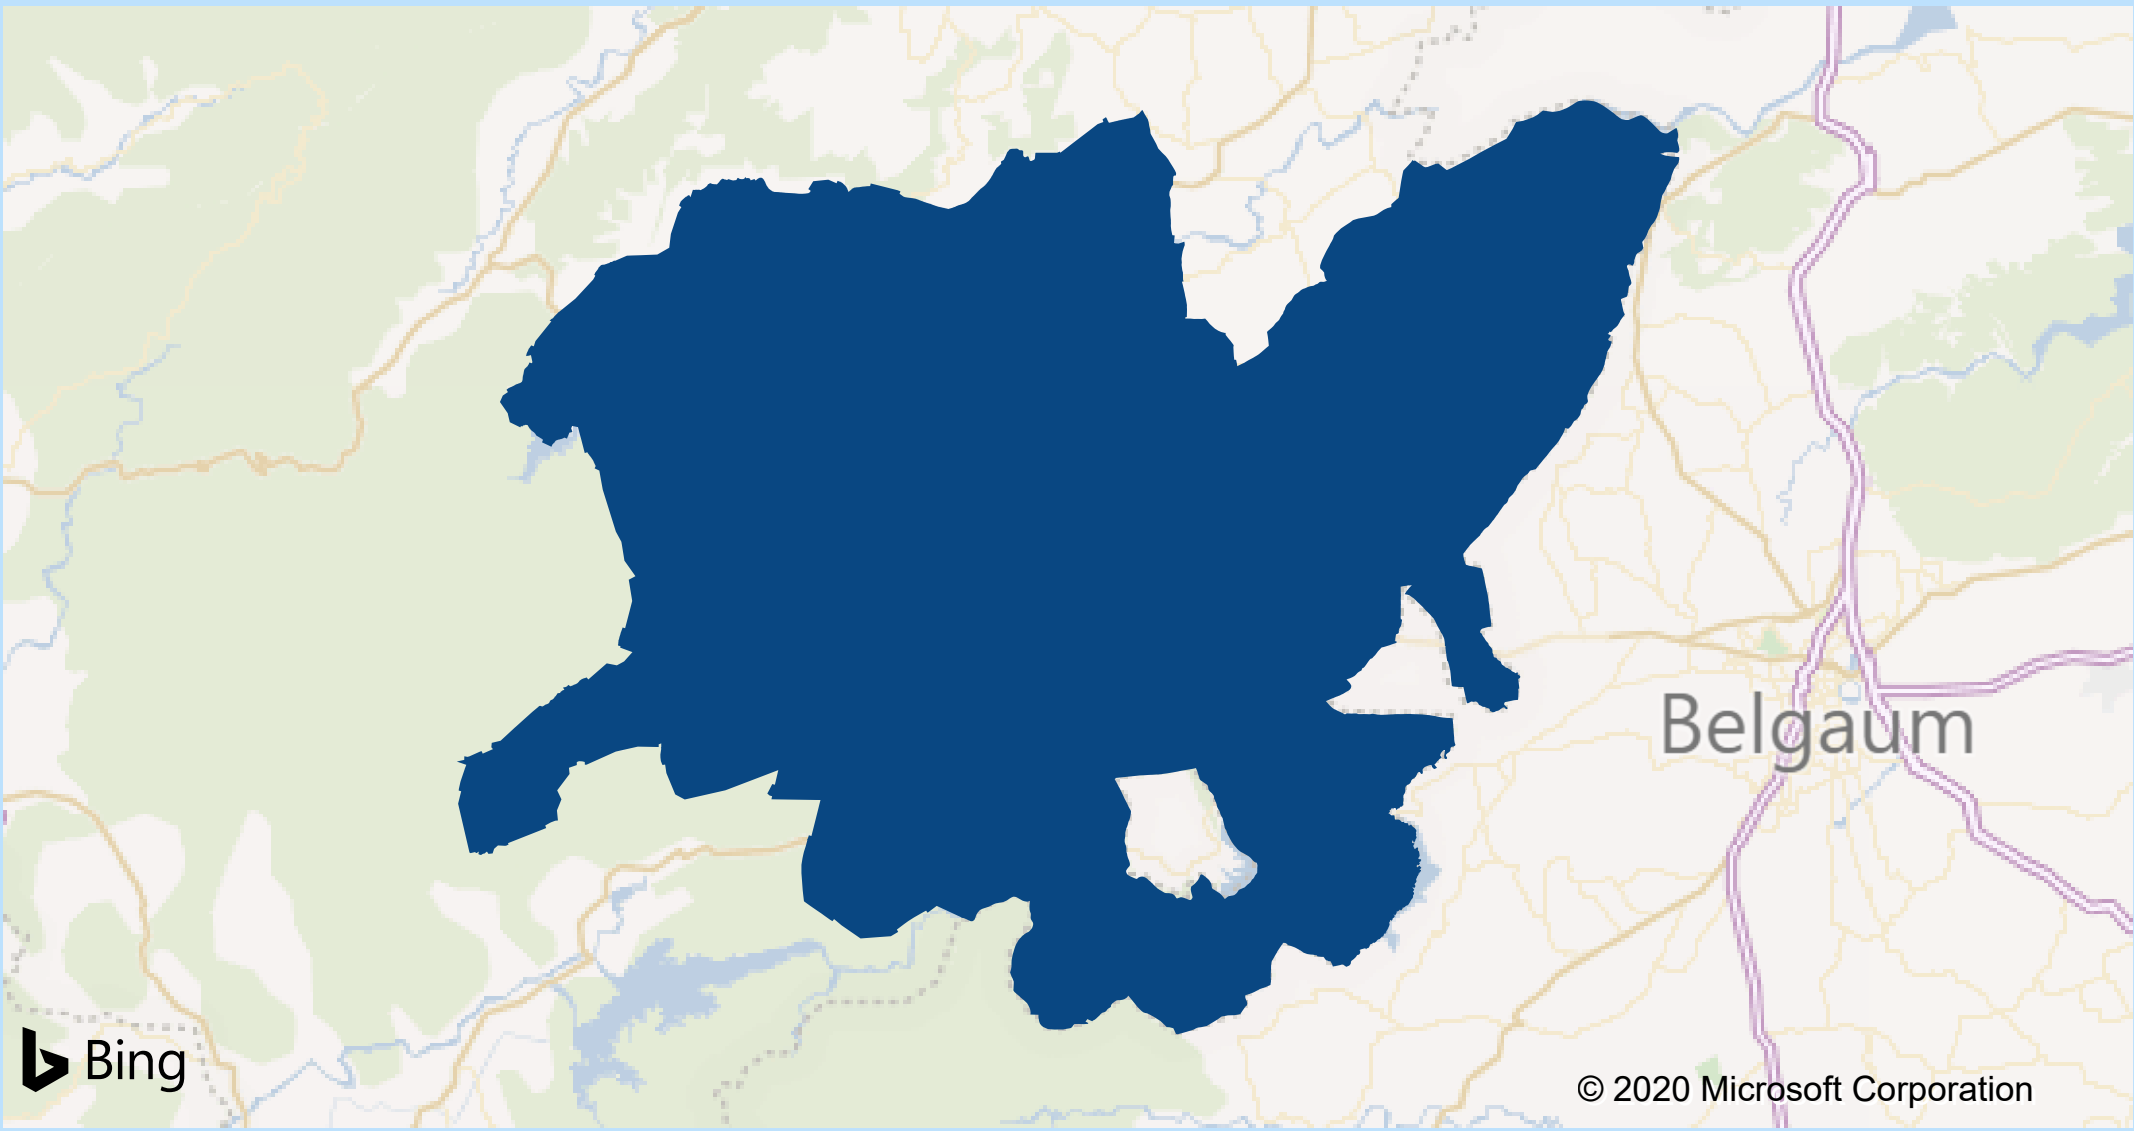

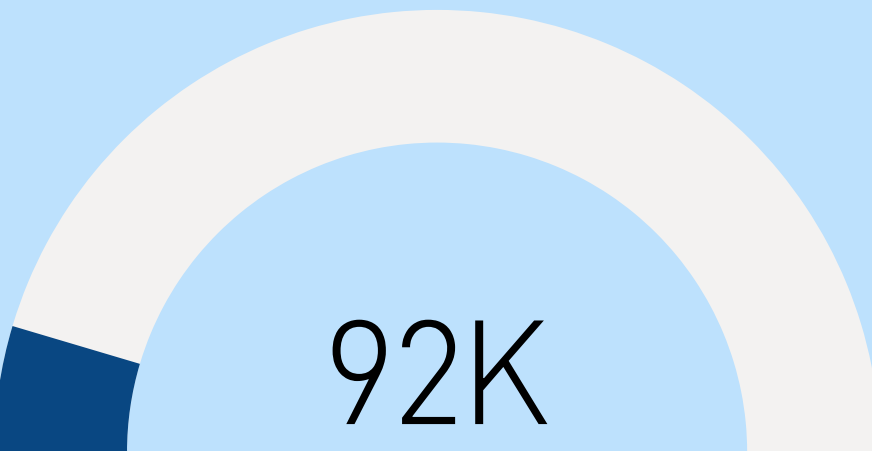

Reservoir Area  
(10<sup>3</sup>m<sup>2</sup>)

Gross Storage Capacity (10<sup>3</sup>m<sup>3</sup>)

Effective Storage Capacity (10<sup>3</sup>m<sup>3</sup>)

# Region wise Designed Spillway Capacity of Dams in Maharashtra
